**PETITIONING THE COURT**

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 06/04/2019, and 06/07/2019.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number      Nature of Noncompliance

7      **Special Condition # 17:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** Artie Bramley violated the terms of his supervised release by failing to appear for a urinalysis test at the U.S. Probation Office on or about June 14, 2019.

On December 17, 2018, supervision commenced in this matter. On December 20, 2018, the undersigned officer met with Mr. Bramley at Sun Ray Court treatment facility to complete a supervision intake. The conditions were read to Mr. Bramley and he signed a copy of his judgment indicating acknowledgment and understanding of the conditions imposed by the Court, to include special condition number 4, noted above.

**Re: Bramley, Artie Frank**

**June 20, 2019**

**Page 2**

As noted in the petitions filed on June 5 and 10, 2019, Mr. Bramley is alleged to have failed to appear for multiple random urinalysis tests. As a result, he was placed on the phase drug testing system at Pioneer Counseling Services effective June 6, 2019. This requires Mr. Bramley to call the drug testing line daily. If his color is called, he is expected to appear at Pioneer for a urinalysis that same day.

On June 14, 2019, Mr. Bramley failed to appear for a urinalysis test at Pioneer.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: June 24, 2019
